From 5218 - Zebron, Brian T. 01/24/2023 10:08:57 - spoke with carus personel, the semi delivery driver, and Hicks all individually. Semi driver advised he was picking up product and had no issues today. Carus man said he noticed Hicks filming him and the semi and was concerned. Hicks said he was on neighbors property with permission and was concerned about the safety of the product in the carus building because of the recent fire. I looked inside such building and there was a lot of misc parts of pipes all sizes, a boat, and many pallets with white plastic covered something with in
